**GCE 'N' Level Results
17 December 2021**

CLASS OF 2021

WELCOME BACK!

CELEBRATE EFFORTS!

The N-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous achievements in school and the challenges we have overcome!

Success is not final,
Failure is not fatal;
It is the courage to
continue that counts.

Winston Churchill

THINK OPPORTUNITIES!

- As you await your GCE N-Level results, there are 3 possibilities:
 - You are happy that your results meet your expectations,
 - You are overjoyed that your results exceed your expectations, or
 - You are worried/upset because your results fall short of your expectations.

Remember that **everyone's learning journey is different**
but **we can each have a fulfilling outcome!**

Many pathways and opportunities!

Managing Your Emotions and Making Your Decisions

When you receive your results, you may feel overwhelmed by emotions. Managing these emotions well will allow you to stay calm and make rational decisions.

STOP

Stop any unhelpful thoughts or actions that would make you more upset. Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

THINK

Think through the different options that are available for you. Keep things in perspective. Remember that N-Level is just one part of your life journey and not the destination.

DO

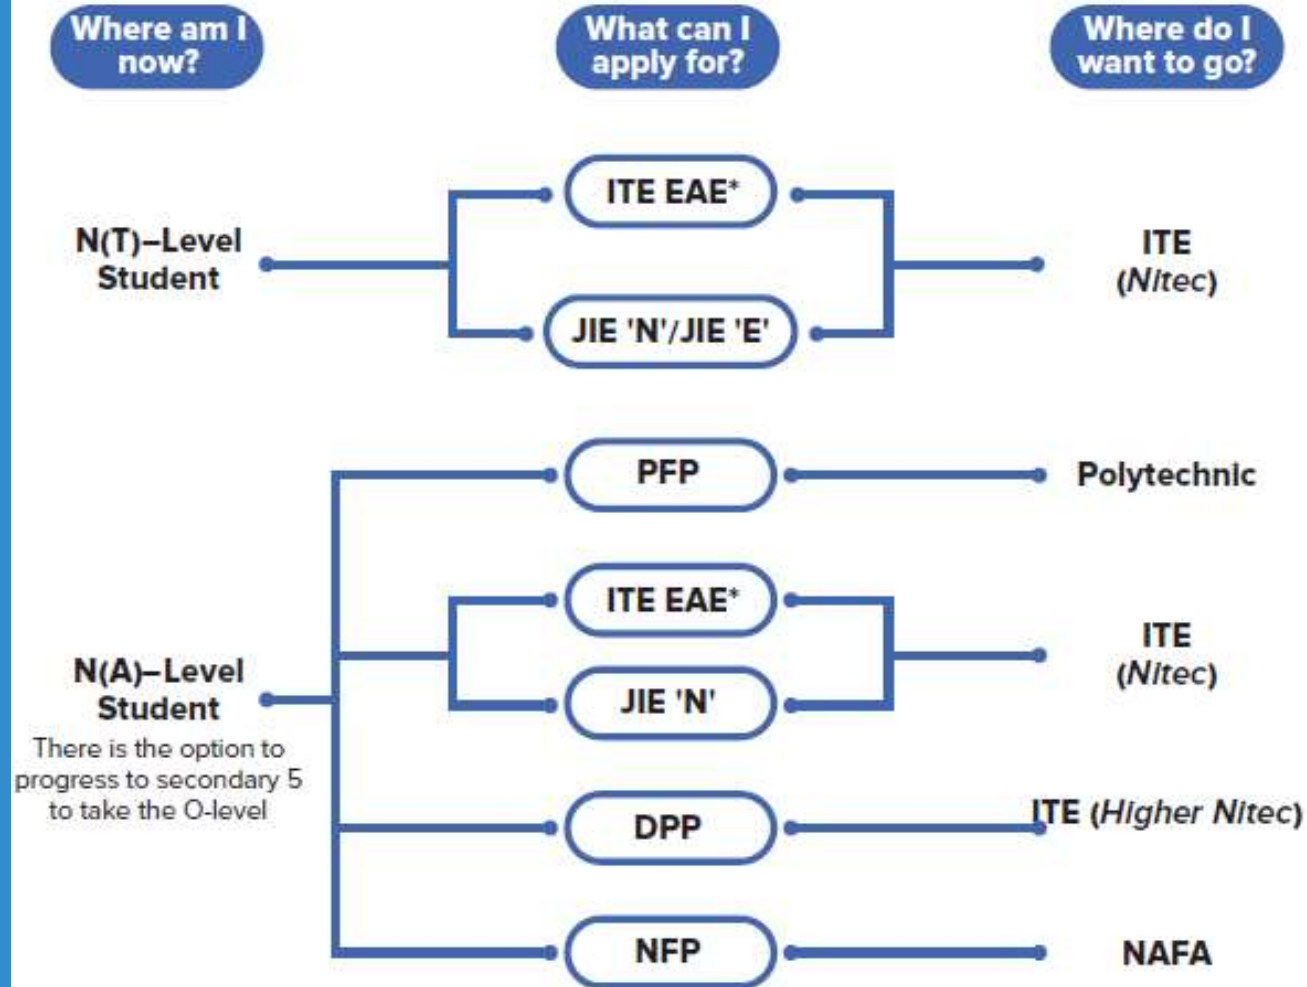

Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you. Make a decision based on your options and take action.

8 Things You Should Know Before You Enrol in A Private School

School Registration

Ensure the school is registered with CPE. Review the school's registration period, expiry date and its overall registration track record.

Partner Institution

Research on the partner institution conferring the diploma or degree, and whether the qualification is recognised by the industry.

EduTrust Certification Scheme

Is the school EduTrust-certified*? Under the scheme, private schools are assessed for their performance in areas such as school management and provision of student support services.

**Schools are required to obtain EduTrust certification in order to offer external degree programmes*

School Premises

Head down to the campus ground to check the facilities and support services. Observe the study environment too.

Fee Protection

Ask if there is any course fee protection so that you will be able to recover unconsumed course fees should the school close down.

Beyond Course fees

Find out about the course syllabus and materials, graduation rates and employment prospects. Approach the alumni to find out what they think of the school.

Teachers

Check if the teachers are qualified to teach the course.

Internship

If industry attachment is included, find out which organisation you will be attached to, the period of attachment and the alternative arrangement should the attachment become unavailable. Verify the information with the organisation as well.
