9<sup>th</sup> April 2021

Dear Parents / Guardians,

Warm greetings from KCPSS!

1. As we enter week 3 of Term 2, my colleagues and I would like to thank you for your continual support in providing KCPians with a holistic education. We are glad to share that our KCPians have continued to do our school proud in their National School Games matches and Singapore Youth Festival performances thus far.

2. In addition to the term letter on 22<sup>nd</sup> March, we would like to provide further updates for Term 2 below.

### **Personalised Digital Learning Programme**

3. Under the National Digital Literacy Programme, MOE will introduce the Personalised Digital Learning Programme (PDLP) for all students in secondary schools. Under the PDLP, every secondary school student will own a school-prescribed personal learning device (PLD) by the end of 2021.

4. The PDLP will allow students to use the PLDs in tandem with the Singapore Student Learning Space (SLS) to personalise and enhance their learning. The PDLP will also better enable students to acquire digital skills and apply these skills as they navigate an increasingly digitalised world.
