# ECG Support & Advisory

# How can I maximise my 12 choices?

## The 3 Ps of making choices in JAE

**PASSION**  
**PRACTICALITY**  
**PRUDENCE**

*Fill up all 12 choices even if you are really confident of getting into your desired course.*

(You never know what the competition is like for this year. If the cut-off point drops and/or the course is more competitive this year, you may not be given a space. By leaving blanks, you are effectively not giving yourself a chance and hence become unposted with nowhere to go if you are not given any of your choices, supposing you only fill up 4 choices.)

# JAE Tips

## *How can I maximise my 12 choices?*

Adapted from NP Admission Tips

First 3 – 4 choices	<b>PASSION</b> Go for what you are most passionate about (even if you don't meet the past year's cut-off points). <i>(Your 1<sup>st</sup> choice is important especially if you want to appeal in the event you do not get posted there. This is so long as you meet the cut-off point.)</i>
Next 3 – 4 choices	<b>PRACTICALITY</b> Choose what you are interested in and stand a good chance of getting in.
Last few choices	<b>PRUDENCE</b> Include <b><i>alternative</i></b> / less competitive courses you can definitely get in.

## Student Results (RAW score L1R5 for **JC** /ELR2B2 for **Poly**) : 12 / 10

*(inclusive of 2 bonus CCA points: 10 for JC & 8 for Poly)*

2	Anderson Serangoon JC (Arts)	5 – 11
3	Temasek JC (Arts)	3 – 10

# What you can do before getting results and after getting them

- Consider various scenarios – best and worst case
- Think about your options in each of the scenarios
- Do your research into all possibilities from different JCs to various Poly courses
- Factors to take into consideration:
  - Interest in the school/course – why? How does that fit you, your interest, education goals?
  - School culture – what the learning environment is like
  - Distance – how much time are you willing to travel each day to and from school?
