Principal's Welcome

What's Next?

Mr Patrick Goh, Year Head/US

Dear students,

As we gather here today, let us
all celebrate our efforts!

*Finally, we are going
to get our results!*

Think about your opportunities

*Are we all going to
be okay?*

Remember that **everyone's learning journey is different**
but **we can each have a fulfilling outcome!**

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Keep a lookout for some of these signs in your peers or yourself.

How can we support one another?

D

Deliberately avoiding others

I

Increased irritability, restlessness, agitation, stress and anxiety

S

Sending or posting moody messages on social media

T

Talking about death or dying

R

Reacting differently or gradually losing interest in things they used to like

E

Eating more than usual or having a much reduced appetite

S

Sleep pattern changes with difficulty falling asleep or oversleeping

S

Slowing down of energy levels

If you notice any of these signs in yourself or your friends,
have a chat with your school counsellor or teacher
Or contact SOS 24-hour hotline at **1800-221-4444**

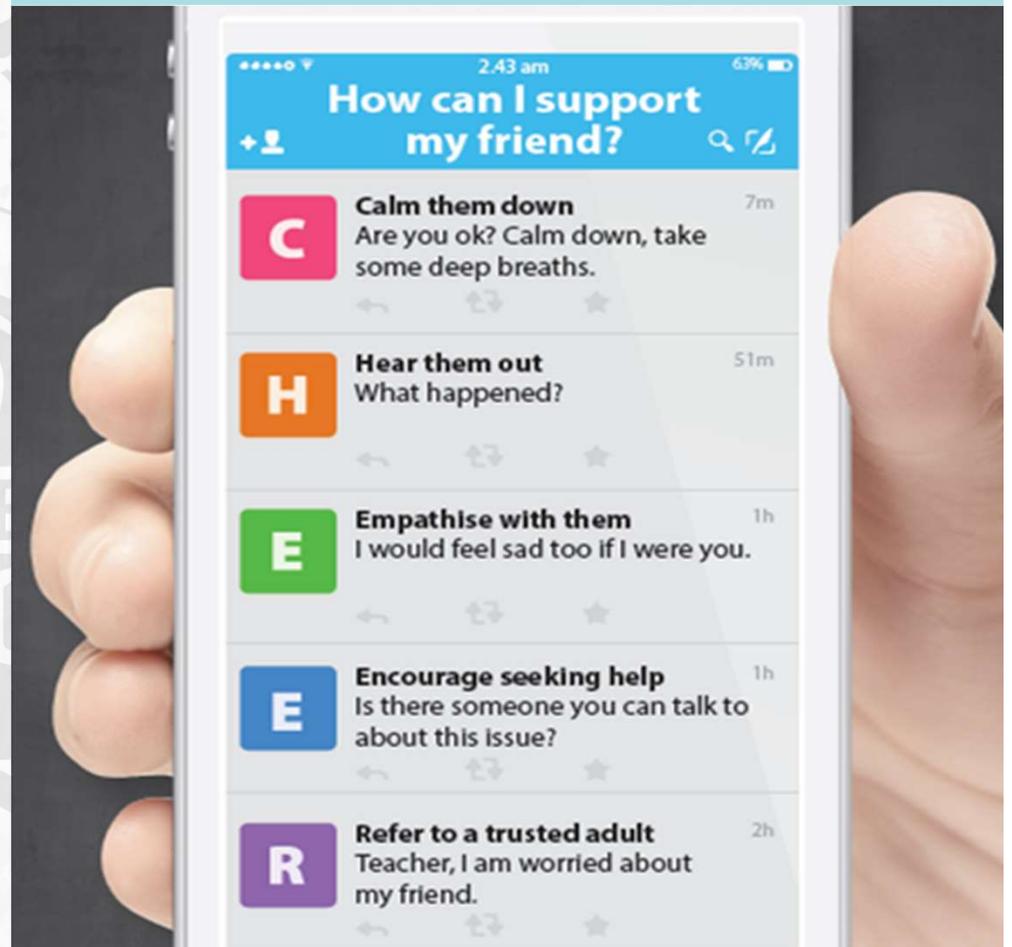

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

- C** **Calm them down** 7m
Are you ok? Calm down, take some deep breaths.
- H** **Hear them out** 51m
What happened?
- E** **Empathise with them** 1h
I would feel sad too if I were you.
- E** **Encourage seeking help** 1h
Is there someone you can talk to about this issue?
- R** **Refer to a trusted adult** 2h
Teacher, I am worried about my friend.

Reaching out for help is a sign of strength, not weakness.

Is there someone we can speak with?

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

8 Things You Should Know Before You Enrol in A Private School

School Registration

Ensure the school is registered with CPE. Review the school's registration period, expiry date and its overall registration track record.

Partner Institution

Research on the partner institution conferring the diploma or degree, and whether the qualification is recognised by the industry.

EduTrust Certification Scheme

Is the school EduTrust-certified*? Under the scheme, private schools are assessed for their performance in areas such as school management and provision of student support services.

**Schools are required to obtain EduTrust certification in order to offer external degree programmes*

School Premises

Head down to the campus ground to check the facilities and support services. Observe the study environment too.

Fee Protection

Ask if there is any course fee protection so that you will be able to recover unconsumed course fees should the school close down.

Beyond Course fees

Find out about the course syllabus and materials, graduation rates and employment prospects. Approach the alumni to find out what they think of the school.

Teachers

Check if the teachers are qualified to teach the course.

Internship

If industry attachment is included, find out which organisation you will be attached to, the period of attachment and the alternative arrangement should the attachment become unavailable. Verify the information with the organisation as well.
